

Complete!

Congratulations!

You have been approved for the Washington Mutual Platinum MasterCard® with a credit line of \$7,000.00. Your card should arrive in 7–10 business days.

Your account has the following rates:

- APR on Purchases variable, currently 19.99%.
- APR on Balance Transfers: 0% until April 1, 2008. After that, variable, currently 19.99%.
- APR on Cash Advances variable, currently 23.99%.

If you have transferred balances, you must continue to make at least the minimum payments to your other lenders until the balance transfers appear on your Washington Mutual Visa statement.

What's Next?

- Before your card arrives, you'll receive a **Welcome Kit** that describes all the benefits and terms and conditions of your new account with us. You'll also receive a welcome e-mail.
- **Your card should arrive in 7–10 business days from today.** You will need to activate it from your home telephone number.
- Your assigned PIN (Personal Identification Number) will be sent in a separate letter.
- Once you have received and activated your card, we encourage you to take advantage of our **online account servicing** site. Once registered, you can use the site to pay your bill, get e-mail alerts, check your FICO® credit score, schedule account payments, and more.

Thank you for choosing the Washington Mutual Platinum MasterCard®!
